TEFEN

VIP SERIES

Time travel through history, memories of experienced moments, bring us a very special lore. This continuity, creates abstract concept in our minds. By time, abstract concepts takes shape. Concretization is a personal issue, the word "table" creates different picture in each mind. Tefen has been designed with high aesthetic sense that will change your concept of an office desk. As Tefen's top wooden body indicates us continuity, its sloping legs brings us idea for the future. Tefen can be recognized as intermediate phase for the office desk, produced with high quality standarts and comfy usage.
